## **CLAUDIA MASUEGER**

It is my great pleasure to introduce an extraordinary speaker today: Claudia Masueger.

Claudia Masueger is a Crisis Transformational Coach, Keynote Speaker, and award-winning serial entrepreneur with over 25 years of impactful experience across Asia. She is the founder of CHEERS Wines, where she revolutionized Beijing's wine market by making wine accessible, joyful, and approachable.

Despite tremendous professional success, Claudia experienced firsthand the cost of relentless passion, which led to burnout. This personal challenge became the catalyst for her journey towards discovering a purposeful and fulfilled life. From this transformative experience, Claudia developed her powerful FLOWmentum™ coaching framework.

Today, Claudia passionately helps high achieving individuals navigate life's chaos and transform crises into clarity and success through FLOWmentum™. Her dynamic presentations, filled with authentic storytelling, humor, and profound insights, inspire audiences worldwide to live purposeful, resilient, and authentic lives.
